COVID-19 Disclosure and Release

Activity Participation Form Addendum

COVID-19 NOTICE FROM MIDRAND PRIMARY SCHOOL

Coronavirus ("COVID-19") has been classified by the World Health Organization as a global pandemic and has spread across the WORLD. COVID-19 may result in serious illness, debilitating injury, or death. Older adults and people of any age, including children, who have serious underlying medical conditions might be at higher risk for severe illness or death from COVID-19. The MPS and the District has put in place measures in an effort to reduce the spread of COVID-19. However, notwithstanding any such efforts, it is simply not possible to guarantee that COVID-19 is not present nor to prevent you or your child from becoming exposed to contracting or spreading COVID-19.

By entering Midrand Primary School premises, attending or participating in MPS/District/National activities in-person, attending or participating in a Sport ("Activity"), you and your child are exposed to the risk of contracting or spreading COVID-19. By participating in certain activities associated with greater rates of disease transmission, you and your child are exposed to a high risk of contracting or spreading COVID-19.
