A copy of the timetable will be issued to learners today. In order for learners to produce good results, parents must ensure that learners revise and prepare adequately. Please note that there will be tests for some subjects only, as other subjects will be assessed with other forms of assessment which is prescribed in subject Annual Teaching Plans (ATPs). 4. MONITORING OF HOMEWORK AND THE ASSESSMENT PLAN

We implore parents and guardians to monitor learners' books to ensure that all classwork and homework activities are up to date. Incomplete activities disadvantage learners and creates academic backlogs which result in poor academic results. Strict monitoring at home on a daily basis will assist teachers to move progressively with the very lengthy syllabi at school. We also urge parents/guardians to monitor the assessment plan so that all assessment tasks, projects, and assignments are handed in on time. Late or tardy submissions will not be tolerated. We expect your co-operation in this regard.

5. LEARNER SAFETY: SCHOLAR PARTROL

We urge all parents, guardians, and transport operators to acknowledge the importance of our scholar patrol staff members, learners, and security personnel. The purpose of scholar patrol is to ensure learner safety. Therefore, we urge all parents and transport operators to obey all instructions given by the scholar patrol team. Parents/guardians who do not comply will be reported to the SAPS in line with the National School Safety Framework. We expect your co-operation in this regard.

6. DROPPING OFF LUNCH/BOOKS/ITEMS AT SCHOOL

We hereby inform parents/guardians that they will no longer be allowed to drop off lunch or meals for learners at school. We expect our learners to be responsible and bring their lunches/meals from home. We also remind parents to ensure that learners are organized and prepared the day before so that they do not forget to bring their books and assessments/projects to school as per their timetables and assessment plans. This is non-negotiable. This has been effected due to learner safety concerns and we expect our parents and guardians to co-operate with the school.

Vision: Every learner feels valued and inspired in our innovative education system.

Our Mission: We are committed to provide a functional and modern school where quality teaching and learning take place every day in the classroom. We aspire to promote a disciplined and inspiring environment which enables learners to achieve academic and personal excellence and to be responsible and productive individuals.
