Book bag

Schoolbag

Please ensure that stationery and books are of good quality.

- Poor quality stationery cracks/breaks easily and poor-quality books pages tear easily when learners erase errors made during written tasks.

Please supply Staedtler/ Faber Castell/ Croxley brands only or brands specified on the stationery list.

Please ensure that all stationery items and books for **Term 1** are dropped off at school. (Date and learner's class will be communicated)

- Stationery and books will already be used on the first day of school.
- NO child will be allowed to share stationery.

Please adhere to the Term 2: Second batch date for stationery to be sent to school. Teachers must prepare learners stationery boxes and handing out of new stationery when Term 2 commences.

Please ensure that each item of clothing and stationery is marked **individually**. Please mark each pencil, each crayon, each Pritt.

- This helps the child to identify his/her belongings easily.
